COVER LETTER

Dear Hiring Team

I am writing to apply the **Web Development** position advertised on the company bulletin board. As a highly motivated individual with a strong foundation in web development, I believe my qualifications with your requirements. I am currently in my junior year of Computer Science at Asia Euro University (AEU) and possess valuable experience working as a Software Developer at TSD Co., Ltd. In addition to my academic background and professional experience, I have actively pursued further development by taking training courses in essential web development technologies, including React JS, Laravel. This dedication to continuous learning demonstrates my commitment to staying current with industry trends and best practices. I am confident that my combined skills, experience, and eagerness to learn make me a strong candidate for this position. I am particularly interested in this opportunity. Thank you for your time and consideration. I have attached my resume for your review and eagerly await the opportunity to discuss my qualifications further in an interview. Please feel free to contact me at your convenience by phone 077 778 113 or email chantitdaream@gmail.com. I appreciate your time and consideration

Sincerely
An chantit Daream
